Please note that check-in for this international flight is 2-hours before the scheduled time of departure of the flight. On arrival at Maun Airport at 13h15, you will be welcomed by a member of Desert and Delta's staff and escorted the short distance to the charter aircraft, for the short, 20-minute flight to Camp Moremi's landing strip in the Moremi Game Reserve. On arrival at the airstrip you will be welcomed by the staff of Camp Moremi and transferred by 4x4 to Camp Moremi. This is about a 25-minute road transfer through the bush to the Camp, which is situated beneath a lush green woodland canopy, in the Zakanaxa area of the Moremi Game Reserve. A truly hidden gem. This is the point where the life giving waters of the Okavango Delta meet the vast plains of the Kalahari Desert, Mother Nature has created a sanctuary of Mopane Forest, open grassland, seasonal floodplains, and riverine habitats, resulting in one of the most magnificent and welcoming animal environments in all of Africa. Activities centre around tracking big game on morning and afternoon game drives (safaris) in open 4x4 safari vehicles in the Moremi Game Reserve, renowned for frequent sightings of lion, leopard, and cheetah, as well as wild dog, whose numbers are so rapidly dwindling in other areas. Exploring the Xakanaxa Lagoon and surrounding Okavango Channels by motorboat affords exceptional bird-watching opportunities, as bird life is prolific and varied. Ranging from water birds to shy forest dwellers. Accommodation at Camp Moremi is in 12 custom style safari tents on raised platforms. Camp Moremi accommodates a maximum of 24 guests.

After checking in, you will have time to explore your new surroundings before tea is served, after which you depart the camp for the afternoon / evening game / nature activity.
